

# Curriculum vitae

## PERSONAL DETAILS

Family name, First name: Pirazzini Marco

ORCID: 0000-0003-4127-254X

URL for web site: <https://research.biomed.unipd.it/faculty-pages/marco-pirazzini>

## Education and key qualifications

April 15<sup>th</sup> 2013 – PhD in Biosciences and Biotechnology, Department of Biomedical Sciences, University of Padova, Italy. PhD Mentor: Cesare Montecucco

2009 – Master degree in Pharmaceutical Biotechnologies (full marks), Department of Pharmaceutical Sciences, University of Padova, Italy

## Current position(s)

June 2023–present Associate Professor of General Pathology, Department of Biomedical Sciences, University of Padova, Italy

## Previous position(s)

June 2017–June 2023 Assistant Professor and lecturer of General Pathology, Department of Biomedical Sciences, University of Padova, Italy

Jan 2013–May 2016 Senior Post-Doctoral Researcher (junior fellowships), Department of Biomedical Sciences, University of Padova, Italy

## TEACHING ACTIVITY

2017 – present Teaching General Pathology and Histopathology at the University of Padova, to medical students, nurses, and biologists

## SUPERVISION OF GRADUATE STUDENTS AND POSTDOCTORAL FELLOWS

**-Post doctoral Fellows:** Stefano Amoretti (2024-present); Giorgia Schiavone (2025-present); Sandy Richter (2022-2024); Federico Fabris (2022-2024), Samuele Negro (2019-2021); Giulia Zanetti (2018-2020)

**-PhD students:** Marica Zainotto (2023-present), Stefano Amoretti (2022-2024), Giorgia Schiavone (2022-2024); Giorgia D'Este (2018-2021, co-supervised); Federico Fabris (2019-2022, co-supervised); Giulia Zanetti (2015-2018, co-supervised).

**-Master Students:** Simone Carraro (2024); Mattia Dal Corso (2023); Gift Adiawa (2022); Marco Ravazzolo (2020); Valentina Dianin (2019); Giulia Zanetti (2014); Cristina Bertasio (2012).

**-Bachelor students:** Mattia Dal Corso (2020), Carlotta Barison and Benedetta Antoniello (2020); Serena Avallone (2019); Marco Ravazzolo (2018); Marianna Frate (2017); Marica De Bernardo (2012)

## PEER RECOGNITION

## INSTITUTIONAL

2021 – Organization of the Annual Retreat for the Department of Biomedical Sciences – University of Padova

2020 – 2022: Organization of the departmental Seminar Series for the Department of Biomedical Sciences – University of Padova

2021 – present: Member of PhD examination committees (University of Padova)  
 2020–present: Faculty member of the Doctorate board committee. PhD School in Biomedical Sciences – University of Padova  
 2019: Member of PhD examination committee (University of Ulm)  
 2018 – present: Faculty member in the board of the PhD school of the Department of Biomedical Sciences of the University of Padova.

## EDITORIAL

2022 – present	Reviewer Nature Communication,
2021 – present	Reviewer Plos Pathogens, Science Advances
2020 – present	Reviewer Cells, Frontiers in Cell and Developmental Biology
2020 – present	Editor of Cells – MDPI
2019 – present	Reviewer Aging Cell, IJMS,
2018 – present	Reviewer Scientific Report, Neurotherapeutics, Toxins (Basel)
2016 – present	Reviewer Pharmacology Research & Perspectives
2016 – present	Reviewer Toxicon
2015 – present	Reviewer PLOS One

## MEMBERSHIPS

2019 – present: Member of the Center of Myology (cirMYO), University of Padova  
 2016 – present: Associate Member of SiTOX (Italian Society of Toxicology)  
 2016 – present: Associate Member of SIPMeT (Italian society of Pathology and Translational Medicine)  
 2015 – present: Associate Member of INA (International Neurotoxin Association)

## ORAL PRESENTATIONS AND INVITED SPEAKER (IN BOLD)

- **The Medical Aesthetic Injectable Summit 2024** (Marbella Spain)
- **10<sup>th</sup> Croatian Congress of Clinical Pharmacology and Therapeutics 2023** (Opatjia, Croatia)
- French Society of Toxicology 2022 (Institute Pasteur – Paris, France)
- **INA Toxins 2022: New Orleans, USA**
- SIPMeT Young Scientists (2021) (Perugia, Italy)
- French Society of Toxinology 2021 (online meeting)
- **KDA Meeting 2019 - Orlando, USA**
- **INA Toxins 2019 - Copenhagen, Denmark (Plenary lecture)**
- SIPMeT Young Scientists 2019: Firenze, Italy
- **10<sup>th</sup> Congress of Toxicology in Developing Countries - Belgrade, Serbia**
- **2018 Spring Padua Muscle Days - Padova, Italy**
- INA Toxins 2017: Madrid, Spain
- 33<sup>rd</sup> SIPMeT National meeting: Montesilvano, Italy
- Annual retreat of the National Research Council – Institute of neuroscience 2016 (Padova, Italy)
- **Antidotes in depth 2016. Pavia, Italy**
- **IBRCC2015 – 52<sup>nd</sup> Frederick, Maryland, USA**
- SIPMET 2015 – Meeting our young Scientists (Alba, Italy)
- **ETOX17 – European Workshop in Bacterial Protein Toxins 2015” (Porto, Portugal)**
- **SITOX 2015 – 17<sup>th</sup> National congress of the Italian society of Toxicology (Milan, Italy)**
- INA Toxins 2015 Lisbon, Portugal
- **European Network e-COST on cardiac ischemia and ROS 2014 (Padova, Italy)**
- **IBRCC2014 – 51<sup>st</sup> Philadelphia, USA**
- PFT2014 – International Workshop on Pore-Forming Toxins (Trento, Italy)
- Annual retreat of the National Research Council – Institute of neuroscience 2014 (Milano, Italy)
